The Holidays are Here

The holiday season kicks off this weekend with a Christmas parade and tree lighting in Bay St. Louis

BY GEOFF BELCHER
GENERAL MANAGER

Friends and families around the country will gather Thursday for Thanksgiving celebrations — despite COVID-19 — and there are plenty of public celebrations planned right here in Hancock County, including a Christmas parade on Saturday.

The Lutheran Church of the Pines in Waveland kicked off festivities on Saturday, converting its annual community celebration to a drive-through service, in light of social distancing concerns. Church volunteers handed out hundreds of meals on Saturday as families drove through line.

The King's Kitchen soup kitchen will serve a traditional Thanksgiving meal today, Wednesday, from 11:30 to 1 p.m. The kitchen is still doing drive-thru to go meals. King's Kitchen is located at 2005 Longfellow Rd., in Bay St. Louis.

The Kelly family will host its 35th annual Free Thanksgiving Dinner on Thursday, Nov. 26, from 11 a.m. to 2 p.m. at the OLG Community Center, 228

Bay begins demolition of old police department

BY GEOFF BELCHER
GENERAL MANAGER

Demolition began Thursday on the old Bay St. Louis Police Department, which was closed a few years ago due to black mold infestation.

"We finally got started on it," Mayor Mike Favre said Thursday. "It should just take us a couple of days to have it down. We look forward to having it done and having a new police department for our men and women in blue."

the demolition contract to Bean Excavating & Dirtwork, LLC, which submitted the lowest, best bid for the job at \$26,000. Other bidders included Concrete Busters of Louisiana, \$94,900; Morreale Construction, \$31,355; and Twin L Construction, \$95,000.

The Bay P.D. is currently housed in the city hall building on Hwy. 90, but quarters there are a little cramped, officials say. Favre said the city intends to build the new department at the site of the old one, at the corner of Hwy. 90 and Main Street.

Favre announced in July that the city had received more than \$2.5 million in grant money through the Mississippi Legislature from the

City of D'head approves contract for Zeta debris removal

BY GEOFF BELCHER
GENERAL MANAGER

The Diamondhead City Council this week approved a contract with Holliday Construction, LLC, to begin debris removal in the wake of Hurricane Zeta.

After poring through several bids last week, the council selected Holliday — a Poplarville based firm — which had the lowest, best bid at \$6 per cubic yard to remove vegetative debris. Currently, city officials estimate that there is at least 100,000 cubic yards of debris to be removed.

TetraTech was contracted to monitor the work and ensure that everything is done to FEMA specifications.

Residents are asked to push their debris piles to the roadside, but not

to put the debris in the road where it becomes a hazard to traffic. Residents are also asked to separate the vegetative debris from other debris since different trucks will be picking up this material. This will allow the trucks to move more efficiently through the city to pick up the trash.

Contractors will only be allowed to remove debris that is along the roadside on the city's right-of-way, roughly 10 feet from the edge of the property.

City leaders are also asking residents not to park on the roadside while the trucks and trailers are opening in the city. Not only could that delay or prevent

Diamondhead voters heading back to the polls

BY GEOFF BELCHER
GENERAL MANAGER

It's been a heavy election season for Diamondhead voters — on top of the national primary and general elections this year, they've also had to head to the polls for two city elections, with a third scheduled Dec. 8 — this time, to fill the vacancy that Ward 1 Councilwoman Nancy Depreo left when she was elected as the city's mayor last month.

The first city election this year occurred on March 3, when Diamondhead residents elected Charles S. "Chuck" Clark to fill the vacancy Ward 4 Councilman Kodie Koenenn left after being elected to the Hancock County Board of Supervisors.

Depreo was elected mayor on Oct. 20 in the wake of the untimely death of Mayor Thomas E. "Tommy" Schafer. She was sworn in at the first council meeting of November, and almost immediately had to begin dealign with the aftermath of Hurricane Zeta. She will serve the remainder of Schafer's term, which expires next year.

Two people have qualified for the Ward 1 race, Shane Finley and Gerard P. Maher.

Polls will be open from 7 a.m.-7 p.m. on Dec. 8.

While that will be the last election for the year, Diamondhead City Clerk Jeannie Klein said, it's only a temporary reprieve — the general election for the mayor's position and all four council seats is scheduled for June 8, 2021.

Qualifying begins on Jan. 4 for all seats, she said, with a qualifying deadline of Feb. 5. The primary election is scheduled for April 6, with any necessary runoff to be held on April 27.

The winners of those races will be officially sworn into office on the first Monday in July.

HTCS CELEBRATES VETERANS DAY

Photo courtesy of Holy Trinity Catholic School

Holy Trinity Ambassadors hosted a special Veteran’s Day celebration this year. A variety of snacks, candy, playing cards and special messages were collected to be sent to our military stationed overseas. The celebration of our weekly school Mass was dedicated to give thanks for our military men and women, both from the past and the present, and to honor their courageous service and sacrifice to our country and its people. Students also brought in pictures of loved ones who have served or are currently serving in the military for an honorary display at the school.

North Bay students selected for Children in the Arts Program

SEA COAST ECHO

Seven North Bay Elementary School students have been selected to participate in Coast Episcopal School’s Children in the Arts Program. The students are Cade Piaza, India Booker, Tucker Monti, Tony Summers, Lauralyn Farve, Emily Bloss and Nathan Allen. As a special part of the program, these outstanding artists have been invited to create a new work of art during a live online workshop with a professional

artist. “The students of our district have had an arts relationship with Coast Episcopal School and the Walter Anderson Museum of art for several years. This competition, which is open to area fourth, fifth and sixth graders, was especially exciting this year, as the students were very familiar with the theme, Walter Anderson, Artist and Naturalist. Students imagined themselves accompanying Anderson on Horn Island as he wrote in his journal, and illustrated what he

might have seen on the day they joined him,” said Dale Pohl, elementary art teacher at North Bay Elementary. “Young artists from the Mississippi Gulf Coast feel very connected to Walter Anderson – they share the sense of nature and home.” All artwork will be on display on Coast Episcopal School’s Toast to the Coast web-site and featured on Facebook and other social media.

St. Rose to host Reindeer Fun Run - Walk

SEA COAST ECHO

St. Rose de Lima Catholic Church is hosting a Reindeer 5K Fun Run - 2-Mile Walk on Saturday December 19. Runners and walkers will take off from Washington Street on the Beach Walk at 8:00 a.m. and head south toward Aiken Street and return to the finish line at Washington Street. “This is second year for the Reindeer Run and Fun Walk,” said event chairperson Goldie Fairconnetue. “It was such a huge success last year, so we wanted to make it a traditional event that is healthy, fun and corresponds with the holiday season.” Prizes will be awarded to first and second place finishers in the boys and girls under 18 division, and adult male and female 18 years of age and older categories in the 5K run. Prizes for best costumes will be awarded to children 15 years of age and younger. Adults and children of all ages are invited to participate. A long-sleeved tee shirt will be given to each participant who registers by

December 1st. Registration for the 5K Fun Run - 2 Mile Walk costs \$25 per adult and \$15 per child under 18 years of age. If you are not interested in participating as a runner or walker but would like to support this church fundraiser, tee shirt sponsorships are available. Businesses or family names and logos will be placed on the back of the tee shirt at a cost of \$100. Also, a Christmas gift basket will be raffled off after the Reindeer Run - Walk. The gift basket is courtesy of Field’s Steak and Oyster Bar and includes a dinner for four at the restaurant along with a cluster of other special holiday treats and spirits. “We’re excited about the community coming out to support this holiday event,” said Fairconnetue. “A Reindeer Run is a great way of kicking off the holiday season.” Applications are available after weekend masses, or by contacting Goldie Fairconnetue at (228)332-0526.

MSDH reports 665 new cases of COVID-19 statewide; state’s total now at 144,544

SEA COAST ECHO

The Mississippi State Department of Health (MSDH) on Tuesday, Nov. 24, reported 665 new cases of COVID-19 in the state and 53 new deaths. Twenty-two of the COVID-19 related deaths occurred between Oct. 15 to Nov. 18, including two in Hancock County, identified from death certificate reports. Hancock County’s total now stands at 1,141 with 39 COVID-19 related deaths. On Saturday, the MSDH reported 1,972 new COVID-19 cases; Sunday reported 779 cases and 19 deaths and Monday reported 699 new cases and no new deaths. “Mississippi’s total of COVID-19 cases since

March 11 now stands at 144,544 with 3,729 deaths,” according to the agency’s statement on Tuesday. “There are now 153 active outbreaks of COVID-19 in long-term care facilities (where an outbreak is one or more cases among residents or staff).” As of November 22, the MSDH reports that 910 Mississippians are hospitalized with confirmed infection; 213 patients in ICU; 104 patients hospitalized with suspected infection; and 102 patients on ventilators. As of November 22, the MSDH estimates that 121,637 Mississippi residents who had tested positive for COVID-19 are presumed recovered. Statewide combined testing as of Nov. 21: MSDH: 128,300; Oth-

er testing providers: 1,159,516. “Anyone with symptoms of fever, severe cough or severe chest pains – especially those who are older or in poor health – should make arrangements for testing with their doctor or one of the many healthcare providers now performing testing,” according to MSDH. “Healthcare providers can assess your health history and symptoms, and perform testing for COVID-19 as needed. MSDH is also helping conduct free drive-up testing sites in many parts of the state. Always call ahead to the testing provider for instructions on safely being examined before you visit for your test.” For more information, visit www.msdh.ms.gov.

Cooks for CASA to feed your appetite, help a good cause

SEA COAST ECHO

Between the pandemic, the economic downturn and the hurricane, it’s been a tough year for everyone on the Mississippi Gulf Coast, and local non-profit organizations are feeling the pinch. That’s why there’s a new fundraising opportunity for CASA of Hancock County — Cooks for CASA — which will put food in your belly while helping a good cause. “2020 has presented challenges for

so many in our community including organizations like CASA of Hancock County,” CASA Executive Director Cynthia Chauvin said Tuesday. “With donations being down by over \$20,000 this year and damage to our office from the recent hurricane, we have looked at ways we can raise some additional funds without taxing our supporters. • See CASA/ Page 8

County awards debris removal contract; Waveland expects to award bid early next week

BY CASSANDRA FAVRE
STAFF WRITER

The Hancock County Board of Supervisors during Friday’s recessed meeting awarded a bid for Hurricane Zeta storm debris removal to TFR Enterprises in the amount of \$1,547,650. TFR was the lowest and best of the bidders. The other bidders included: AnderCorp : \$2,706,450 Looks Great Services: \$2,515,750 KDF Enterprises, LLC: \$1,876,000

Ashbritt: \$1,652,865 Bill Neuns Enterprises, Inc. — pursuant to MS Code 31-3-21, this bid was missing Certificate of Responsibility, and was not read aloud. Hancock County Administrator Eddie Favre said the county will issue a notice to proceed by noon Friday and removal should begin within the next 72 hours. The debris removal is for the unincorporated areas of Hancock County. Debris removal has already begun in Bay St. Louis.

The city of Diamondhead is scheduled to award the debris monitoring contract and the debris removal contract on Friday at the 3 p.m. recessed meeting of the city council. The city of Waveland opened bids on Monday, Nov. 23. City Clerk Mickey Lagasse said the city received 10 debris removal bidders and four proposals from debris monitoring companies. The city plans to award bids either at the regular Dec. 1 meeting or call a special meeting — in need be — on Nov. 30.

Thankful OR GRATEFUL?

Thanksgiving Day is a national holiday in the United States. According to history.com, for more than two centuries, days of thanksgiving were celebrated by individual colonies and states. It wasn't until 1863, in the midst of the Civil War, that President Abraham Lincoln proclaimed a national Thanksgiving Day to be held each November.

Thanksgiving Day is celebrated tomorrow, November 26, and for many of us it will not be spent gathered around a table with family this year. The Covid19 pandemic has caused some states to require mandatory quarantine for everyone entering their borders. Business closures have meant, for employees as well as owners, that extra funds to travel are no longer available.

Here in Hancock County, there may be many families who won't have to travel more than a few miles before reaching other family members. These folks will spend the day together feasting on the traditional Turkey, stuffing, mashed potatoes, gravy, cranberries, and pumpkin pie (forgive my Yankee upbringing if I failed to mention a Mississippi staple, or used stuffing instead of dressing), and then watching some football or taking a turkey-induced nap. I am envious of them.

After moving to Mississippi 18 months ago, the plan was that I would go back to New Mexico each Thanksgiving to see my adult children and my granddaughter. I happily did that last year – leaving Bay St. Louis on a sunny and warm Wednesday afternoon only to arrive in the middle of a snow and ice storm when I landed in Lubbock, TX. This year is different.

Will I still be celebrating Thanksgiving? Of course I will.

I will have Turkey and all the fixin's, I may even take a nap. Football will have to wait for the Broncos vs Saints game on Sunday - the only time I know my team will win, since I am a fan of both. The only thing that will be missing will be family. As a former military spouse, this won't be the first Thanksgiving I have spent without family around me. 30 years ago, when my then-spouse had deployed to Saudi Arabia during Operation Desert Shield, I spent Thanksgiving on the island of Okinawa. There were no cell phones, video chats, or social media as the world-wide-web as we know it didn't exist. Now, of course, those resources exist and can enrich our family lives immensely. At some point tomorrow, I will video chat with my children, and my 19-month old granddaugh-

THINKING ABOUT HEALTH: MISLEADING SALES PITCHES FOR MEDICARE ADVANTAGE PLANS ARE EVERYWHERE

It seems that nothing ever changes when it comes to hawking insurance to fill the gaps in Medicare coverage for seniors. The fervent sales pitches, the mis-information, and the incomplete and deceptive information continue to proliferate.

For the last several weeks I've heard ad after ad, particularly on the TV news shows, urging older viewers to call 800 numbers to learn about the latest and greatest Medicare Advantage (MA) plans. Retired football star Joe Namath says you need to "get everything you're entitled to." Namath rattles off a bunch of extra benefits MA plans offer – dental, vision, hearing, prescription drug coverage – "all at no extra cost." He urges viewers to "call the number on your screen now. It's free."

These are new benefits the government has allowed private insurers to sell in the hope of getting more seniors to leave traditional Medicare in favor of a privatized system. By transferring more costs to seniors, the government saves money.

Another commercial promises "free eye-glasses and free rides," presumably to doctors'

Guest Column
By Trudy Lieberman

offices. Yet another tells viewers they "may qualify" to get \$144 added back to their Social Security benefits. The Medicare Part B premium for 2021 is \$148.50, which is, presumably, what the commercial promises to save those who choose the privatized system.

I suspected those ads were misleading and deceptive come-ons, designed to persuade listeners to make the call. So I made some calls. The 800 numbers lead to an insurance brokerage firm or agency that apparently has a network of licensed agents located around the country. Callers are asked to give their zip code and then are transferred to an agent who can give the "free benefits" review.

I have heard close to 100 Medicare sales

pitches over the years and know that those free consultations are meant to result in a sale whether or not the senior needs the insurance or is really getting a better plan.

Seldom is there any talk about making sure people are covered for the huge amounts doctors and hospitals sometimes charge that Medicare doesn't cover. What are the trade-offs, for example, between buying an MA plan, which pays those charges after you satisfy a large annual out of pocket maximum – next year \$6,700 per person – or buying a traditional Medigap insurance supplement Plan G, which covers those charges right away? A couple with Medicare Advantage could pay as much as \$13,400 a year before their plan would pay for anything.

With so many choices, what's a consumer to do? I rang up Bonnie Burns, one of the best Medicare consumer advocates in the country, for advice.

"It's just too complicated," she said. "No wonder people throw up their hands. That's why people sign up for an Advantage plan with little or no premium and find out what the costs really are as they

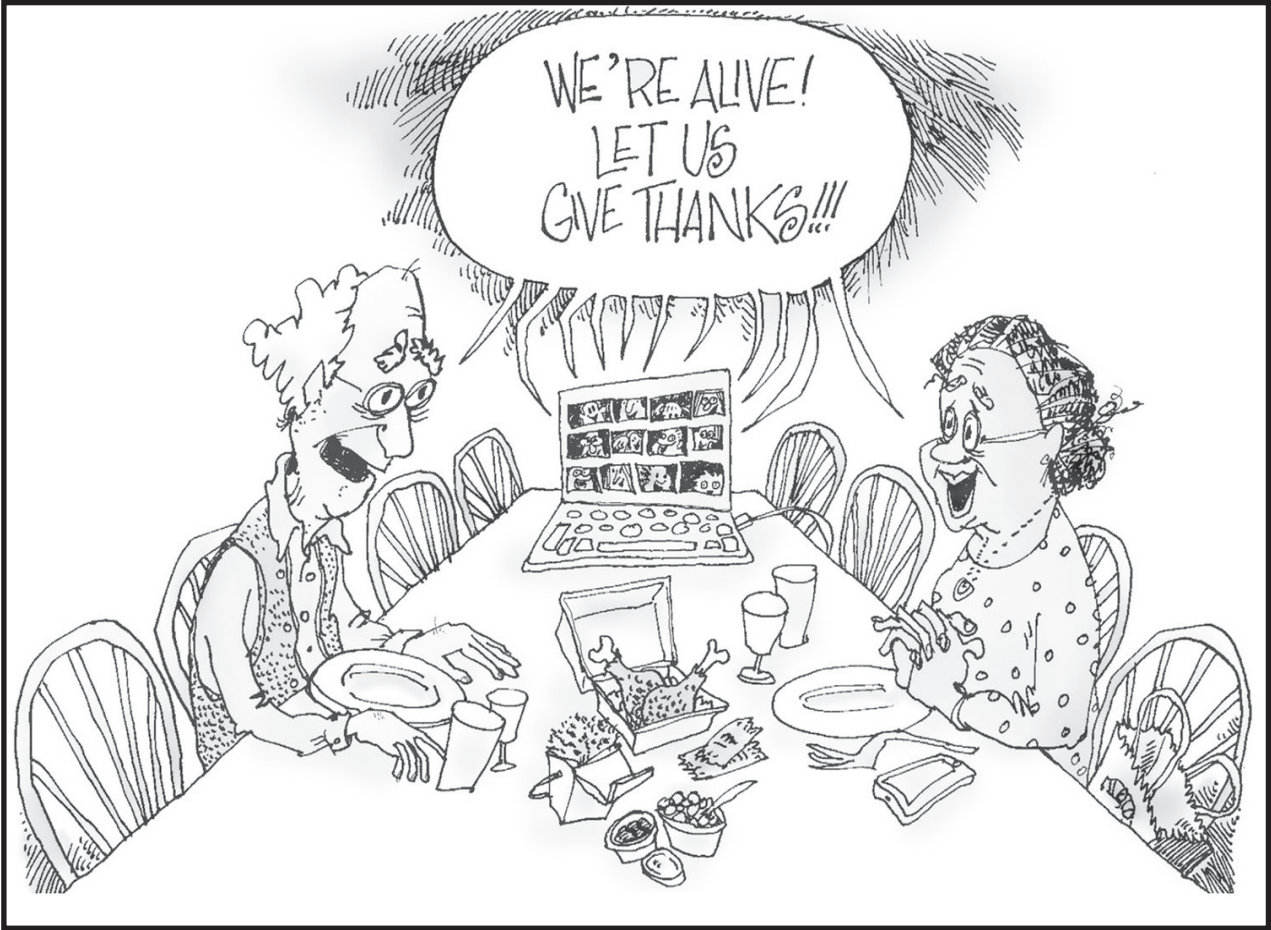

use benefits through the year." She added, "It would be so much easier if Medicare Advantage plans and drug plans were standardized so people could figure this out."

Congress' decision not to standardize Advantage plans or drug plans has resulted in today's chaotic marketplace. Congress wanted to allow every insurer in the universe to throw something out there so the companies could make money and could (<https://harpers.org/archive/2016/11/dont-touch-my-medicare/2/>) entice more people to leave the traditional Medicare program. The goal was to reduce the costs to the program, all the while side-stepping any action to control run-away medical costs.

Note that Congress did standardize Medicare supplement policies – known as Medigap policies – in the early 1990s because that market was as chaotic and misleading then as the MA market is today. I like to think of that action as the high-water mark of consumer protection, and I have no

FBI to assist Bay P.D. in two murder investigations

ECHO STAFF

The Federal Bureau of Investigation has stepped in to assist the Bay St. Louis Police Department in the probe of two unrelated murders in the city in the past month, Chief Gary Ponthieux Jr. said Friday.
“Our criminal investigators are working with the FBI and they are assisting with processing of evidence on both cases,” Ponthieux said. “They have local agents from the FBI Gulfport Office assigned to assist us during the investigation. We do have a lot of forensic evidence in both cases.”
The first case occurred Oct. 22, when 30-year-old Trellis Burnett was shot to death while sitting in a parked car in front of his mother’s home in the 300 block of Keller Street.
Burnett “suffered multiple gunshot wounds and was transported to a local hospital for treatment,”

Ponthieux said the next day. “Burnett subsequently died at the hospital from his injuries.”
The other murder occurred earlier this month.
On the morning of Nov. 3, the Bay P.D. responded to a report of a dead woman found across the street from Martin Luther King Park in the 500 block of Washington Street. The victim was later identified as 37-year-old Bay resident Misty Cato, who had suffered a fatal gunshot wound.
“We do not have any named suspects (in either case) at this time,” Ponthieux said. However, “We do have people of interest in both cases which are unnamed at this time.”
Anyone with information in either case can contact the Bay St. Louis Police Department at 228-467-9222; or contact Crimestoppers at 877-787-5898 or submit a tip via the web at www.mscoastcrimestoppers.com.

ter, Sidney, will carry the phone around the house, giving me views of the ceiling and walls, while jabbering away and once in a while I will hear “Memere”, which will make my heart sing.
What does all of this have to do with being thankful vs grateful? A

good definition of the difference between the two words can be found on smartleadershiphub.com: “By definition, grateful is feeling or showing appreciation for something done or received. The definition of thankful is feeling pleased and relieved.”
So, while both grateful and thankful are positive feelings and are triggered by some event, the difference between them

is that, by definition, grateful is directed outwards from the person who is feeling it, while thankful is generated inwards and more intrinsic in nature.
I am thankful that the internet and social media provides me with the means to visually see my granddaughter every day. I am grateful to the men and women whose vision took the concept of a world wide web and

made it a reality.
Tomorrow, while we are celebrating this national day of Thanksgiving, let us take the time to show gratitude as well. Let us be gracious in our words and actions. Let us spread feelings of appreciation outward from ourselves.

illusions that anything like it will happen again anytime soon.
One final bit of crucial advice is missing in today’s ads. Even af-

ter you enroll in an MA plan, perhaps enticed by a few dollars in savings for a pair of glasses, you can return to traditional Medicare in the future. But in all but four states – New York, Connecticut, Massachusetts, and Maine – state laws prohibit you from buying a Medigap supplement

without an insurer scrutinizing your health status.
If you have developed a preexisting condition, you may be ineligible for a Medigap policy. I’ve met many people over the years who bought an Advantage plan, got sick, and needed to go to out of network for treatment. They learned the

hard way they were shut out of the Medigap market for good.
What choices have you made for covering Medicare’s gaps? Write to Trudy at trudy.lieberman@gmail.com.

SHAKE A LEG!

Every week your business is not advertising in newspapers is a snack instead of a full course meal. The message of a new study, conducted by effectiveness consultancy Benchmarking for Newsworks, claims that *advertising with newspapers increases overall revenue return on investment by three times!* Rufus Olins, chief executive at Newsworks, said: “Advertisers who want the best return on their investment should study this data. It is clear that newspaper brands boost other media as well as performing a powerful role in their own right.” So, shake a leg and gobble up the advantages of advertising in newspapers.

ARTIE ALMA HENDERSON BRIDGE

Mrs. Artie Alma Henderson Bridges passed from this world peacefully on Friday, November 13, 2020 in Bay St Louis, MS. She was born on July 31, 1922 to the late J.O. and Naomi Allen Henderson in Corinth, MS. She was a graduate of Corinth High School. She was a Dental Office Manager in Corinth and in Lake Park, Florida for many years before retiring.

Mrs. Bridges was a 50 year Past Matron of the Order of the Eastern Star. She was a very active member in Corinth, Jupiter, Florida and the Adamsville, TN Chapter. On August 6, 2015 at 93 years young, she traveled to Adamsville, TN where she was presented with her 50 year Pin. In the Adamsville Chapter she served as Associate Matron and Worthy Matron. In 1977 she was elected Worthy Matron of the Star of Jupiter #312 Order of the Eastern Star. She was also elected a lifetime member of Daughters of the Nile in West Palm Beach, FL on April 13, 1992. Her other interests included traveling around the world with her husband and spending time with her family. She was also a very avid reader of mysteries.

After Mrs. Bridges' husband passed away, she had an extended stay at Mississippi Care

Center in Corinth, MS. She then moved to Dunbar Village in Bay Saint Louis, MS to be close to family. She embraced living on the coast and quickly made friends with the Bay Saint Louis Library staff and was instrumental in starting a Book Club for the elders at Dunbar. She spent her days enjoying church services, listening to music, Bingo, reading, playing card games, special events, visits from children, giving words of wisdom, going out to eat and visiting with her friends and family. She especially enjoyed gathering and spending time with her family on the holidays.

On April 7, 2006, Mrs. Bridges was preceded in death by her husband, Iva Stinson Bridges and her beloved daughter, Peggy Guntharp Dilworth, on October 24, 2013. She was also preceded in death by parents; brothers, Dyke Henderson, Clovis Henderson and Bert Henderson all of Lake Park, Florida. She was laid to rest by her husband on Saturday, November 21, 2020, at Pine Hill Memory Garden Cemetery in

Adamsville, TN.

Left to cherish her memory is her son Charlie Guntharp, Jr. of Mobile, Alabama, granddaughter's Tara Scott (Kelly King) of Bay Saint Louis, Ms. Sara Guntharp, Mobile, Alabama and Whitney Feinstein, San Diego, California, grandsons, Edwin Rodgers Dilworth, III (Brook) of Moscow, TN and Matthew Dilworth, Corinth Mississippi. Great Grandchildren, Jordan Scott (Shelby), Bay St Louis, Sydney Dunn, Mobile, AL, Ellie Feinstein, San Diego, California and Winn and Ben Dilworth, Moscow, TN. Also, her much loved Great Great Grandchildren who brought her lots of happiness, Madison, Jax, Finley Scott and Avery Byrd, Lilli and Liam Dunn, Dawson Dilworth and newest little one Bentley Whatley. She also leaves her cousin Maxine Wilbanks, Corinth, Mississippi, whom she dearly loved corresponding with throughout the years as well as the many caregivers and staff members at Dunbar Village and Notre Dame Hospice that have loved and cared for her as family to which the her family is very grateful for.

In lieu of flowers the family suggests reaching out to an elder or shut in that may need some company during Covid times.

CHRISTINE DENISE KEGLEY

Christine Denise Kegley, age 25, of Diamondhead, passed away after a courageous battle with cancer.

Christine was a native of Pass Christian. She was a brilliant student and graduated from the Mississippi school of Mathematics and Science in 2013. She studied molecular biology and art at the University of Southern Mississippi where she was a senior and hoped to graduate in Marine Biology. Christine worked for Harrison County, tending the Bayou Portage Bridge while persuing her studies. She was a talented artist who was occasionally commissioned to do special works.

Christine loved gardening and was passionate about vegetables, fruits, organic gardening, unusual and native plants. "To plant a tree that you will never see grown is to believe in the future." She was a Christian whose life exemplified the Golden Rule: The only thing she hated was hate; and the only thing she wouldn't tolerate was intolerance. She was so giving and exemplified this by being an organ donor.

Christine was preceded in death by her pater-

nal grandfather, Willis Bryan Kegley, and her maternal grandparents, John Daniel Moran and Gloria Elbe Smith Moran.

Miss Kegley is survived by her parents, Mitchel Darin Kegley of Theodore, AL; Anita Fay Moran Parker and her stepfather, Brian Jeffrey Parker of Diamondhead, MS; her sister, Lauren Elisabeth Kegley of Pass Christian, MS; her grandmother Mary Juanita Sulton Kegley of Mobile, AL; her aunts, Marie Grace Moran Maxwell of Hattiesburg, MS, and Rene Beswick; an uncle, Willis Bryan Kegley, II; two dear friends Arch and Rhino; her first cousins, Sarah Maxwell, Shannon Marie Breland Turner, Cameryn Winters Kegley, Sterling Kegley, Taylor Gwin and Christopher Gwin; dear cousin and godparents, Larry Keith Pavolini and his wife Margaret; Candice Pavolin; and Kendall Pavolin; Krisi Pavolini; her other

first cousins are, Dana Pavoliny Holliman, Anthony Pavolini, Brandy Pavolini, Emmy Pavolini, Colton Pavolini, Alan Smith, Gloria Ann Smith, Beryl Smith Curley, Lynn Smith Vincent, Billy Moran, Raymond Moran, Don Moran and Alan Moran; innumerable family members and friend who already miss her.

The family wishes to thank every person who aided Christine in her darkest hours. It takes a village to raise a child and a loving community as well to aid in that child's final epic voyage.

In lieu of flowers the family request donation be made to an account set up in Christine's name at Hancock/Whitney and at Keesler Federal Credit Union if you wish to support her passions charitably.

The visitation will be held from 4:30 p.m. until 6:00 p.m. Tuesday, November 24, 2020 at RIEMANN FAMILY FUNERAL HOME, 19130 Commission Road, Long Beach. A Mass of Christian Burial will be held at Most Holy Trinity Catholic Church at a later date.

An online obituary may be viewed, and memories shared at www.riemannfamily.com

BLANCA BETTY LADNER

Blanca Betty Ladner, age 79 of Pass Christian passed away peacefully on Tuesday, November 17, 2020. She was born on May 28, 1941 to Marcos Hernandez and Lucia Cruz in San Pedro Sula, Honduras. She moved to Pass Christian in 1971 and was the wife of the late John B. Ladner Jr. Mrs. Ladner was a loving and caring wife, mother, sister and grandmother. She enjoyed sewing, yard work, cooking, and she was known for her blueberry delight and homemade chicken nuggets. Most importantly family was dear to her heart. She was preceded in death by her husband, John B. Ladner Jr.; her parents; Marcos Hernandez and Lucia Cruz; brother, Jose Hernandez and sister, Lidia Herrera. She is survived by her daughter, Joanna (Travis) Smith; grandsons, Trevor Smith and Christian Smith; granddaughter,

Abigail Smith; two sisters, Olga Brantley and Sonia Martinez and two brothers, Oscar Cruz and Rolando Hernandez. The family would like to extend their appreciation to her care givers. Thank you to family and friends for prayers through this time of sorrow. Visitation was held Saturday, November 21, 2020 at Edmond Fahey Funeral Home in Bay St. Louis from 9:30 a.m. until 11:00 a.m. with a prayer service at 11:00 a.m. Interment followed at Rotten Bayou Cemetery in Diamondhead. Edmond Fahey Funeral Home was in charge of the arrangements.

SEAN RUSSELL OVERAL

Sean Russell Overal, of Kiln, passed away on November 17, 2020 at 33 years old. He was preceded in death by his paternal grandparents, William (Bill) and Betty Overal and his maternal grandfather, Russell F. Fuller. Sean will be missed everyday by his children Raelyn and Remi Overal, his former wife, the love of his life, Kayla Maurigi Overal, father William (Joe) Overal, stepmother Rose, mother Vicki Naulty, stepfather Douglas, sister Jessica Armstrong, brothers Joseph and Andrew Overal, maternal grandmother Wanda F. Berthelot, nieces and nephews, aunts and uncles, and cousins and his beloved canines Gus and Sophie who were always eager to jump in the truck to go everywhere with him. Following the military traditions of his family members serving in WW I through Iraqi, Sean joined the Army National Guard in 2006. In 2009, he served in Iraq as an infantry soldier. The stress and time away from his wife and newborn daughter, and the dangerous mis-

sions he faced, were difficult for him. When he returned, Sean began his career at 1108 TASMG as an aircraft sheet metal mechanic. Sean has always loved being outside whether playing with his brother as a child, or competing with his father to see who could cut the grass first. In adulthood, you would find him working in the yard or riding four-wheelers with his children. Sean loved Raelyn and Remi with all his heart and soul, and his wonderful traits live on through them.

His daughter inheriting Sean's reserved, quiet personality, and his son possessing Sean's hands-on skills, having spent hours by his side watching and learning. A visitation will be held Wednesday, November 25, 2020 from 8:30-9:30 and service at 9:30 at Edmond Fahey Funeral Home. Due to COVID restrictions, facemasks and social distancing will be required. Sean will be buried with full Military Honors at the National Cemetery in Biloxi at 11:00. In lieu of flowers, the family requests that memorial donations be made to Friends of the Animal Shelter in Hancock County P.O. Box 2274, Bay St. Louis, MS 39521-2274. Edmond Fahey Funeral Home is in charge of the arrangements.

Meet Holly. This sweet, demure girl was not reclaimed by her owner, so we are seeking a responsible, loving home for this 2 year old American Staffordshire Terrier mix. She is a sweetheart who has made fast friends with the other dogs here at the shelter. She is super sweet and loving, but she can be shy when meeting new folks. However, she responds immediately to kind words and lots of love and attention. She gives the best hugs and kisses too! Holly loves to play with our staff & volunteers, and she is just too precious when she gets the "zoomies!" She could be a trusted family pet, or a devoted companion for a single person, couple or active retirees. Our techs have not yet determined if Holly is house or leash trained. As we learn more about this darling girl, we will update her profile. In the meantime, if you would like to meet Holly, please call our front desk at 228-466-4516 to schedule a meet-n-greet. Please bring your dog(s) in for the visit to ensure compatibility. Please visit our Facebook page, Hancock County Animal Shelter, MS, to see more pictures of Holly and of the many other deserving, adoptable animals looking for their forever homes.

Gulf Coast Restoration Fund — \$1.5 million for the revitalization of the Depot District and \$1 million for the new police department.

“We anticipate the new station will be approximately 8,500 square feet and will provide state-of-the-art facilities for employees and citizens,” Police Chief Gary Ponthieux Jr. said at the time. “There will be space within the structure for citizens and our youth to interact with the department staff in a positive environment.”

Favre said Thursday that he hopes the city council will make a selection for architectural and engineering ser-

vices for the both the police department and the Depot revitalization project at its next meeting.

“The police department may be done in two phases, depending on what we can get in grant funds, and through the sale of the garden club building — those funds will be used for the p.d., as well,” Favre said.

The city recently sold the garden club building on Main Street to John McDonald Realty for \$258,000, Favre said.

“That’s going to give us close to \$1.5 million to start the police department ... We do have funds set aside through the grant (for the police department), but we do hope to receive some additional funds in the next legislative session,” Favre said.

This plate dinner fundraiser project is a great way to get the community involved and we are so appreciative to the local cooks who have stepped up. For a \$10 donation, you can get a delicious meal and support our work. Every dollar raised will go directly to CASA to ensure that we are able to continue serving children in our community.”

Court Appointed Special Advocates (CASAs) are community members who volunteer with CASA of Hancock County. They work with children in the child welfare system who have already experienced abuse or neglect. They meet with children in person at least monthly and provide information to judges that helps them make the most well-informed deci-

sions about each child.

The Cooks for CASA plate dinner fundraiser is scheduled every Monday from Nov. 30 through Jan. 4.

Participants can purchase \$10 plates through Venmo@CASA HancockCounty or pay in person and pick up between 5-7 p.m. at CASA, located at 644 Dunbar Ave. in Bay St. Louis.

The Nov. 30 menu will include shrimp & white beans, prepared by Bay Mayor Mike Favre. The Dec. 7 meal will be chicken fettuccine and corn on the cob prepared by District 22 Rep. Brent Anderson and Waveland City Clerk Mickey Lagasse.

The Dec. 21 meal will include red beans & rice with green beans and bread, prepared by Hancock Tax Assessor/Collector Jimmie Ladner, John Zimmerman an M.J. Krankey.

The Dec. 14 and 28 and Jan. 4 meals have not yet been determined.

For more information, call CASA at 228-344-0419.

HOLIDAYS

Continued from Page 1

S. Beach Blvd., Bay St. Louis, MS.

The dinner is open to everyone, and has become an annual tradition for a lot of local families.

The dinner includes turkey and all the trimmings. Dine In, Carry Out, Curbside.

Deliveries will also be made to the homebound in Bay St. Louis, Diamondhead, Waveland, and Hancock County.

This year’s event will obey current COVID-19 restaurant guidelines.

Those who would like to volunteer can call, go

CHRISTMAS PARADE

The city of Bay St. Louis is scheduled to host its second annual Christmas in the Bay this Saturday, Nov. 28, beginning at 5:30 p.m. The parade will begin at 5:30, traveling from Court Street to DeMont-luzin Street before ending on Main Street at the courthouse.

The parade will include golf cars, Jeeps, walkers, dancers and marching groups. After the parade, the city will host a ceremonial lighting of the Christmas tree on the lawn of the Hancock County Court-

house.

The city is urging all parade participants, citizens and spectators to wear a mask.

“We are looking forward to this holiday event for a good time had by all while practicing social distancing and awareness,” Mayor Mike Favre said on social media.

“Last year’s parade was a huge success,” Favre said last week. “It exceeded our expectations. We’re kicking off a whole month of celebrations on Saturday with the lights. There’s a lot of good events planned. We tried to create some event every weekend to get people down here to our Old Town business-

es.”

For instance, starting at 5:30 p.m. on Dec. 5, the city will host Movie Night in the Bay, Favre said, with a public showing of the movie “Elf” at the corner of Main and Second streets. There will be popcorn and hot chocolate, and participants are urged to bring blankets and chairs. Again, social distancing will be required.

“Our New Year’s Eve Oyster Drop was a huge event last time,” Favre said. “I think it’s going to be even bigger and better this year, as well. We’re going to tr to have a fireworks show for everyone — not just the adults. We might have one earlier so the kids

can enjoy it, too.”

WAVELAND FESTIVITIES

This Sunday, Nov. 29 — the day after the Bay parade — the city of Waveland will host its annual Christmas in Waveland event, featuring the Lighting of the Town Green and caroling at Coleman Avenue. Plans call for caroling, cookies and hot chocolate.

On Sunday, Dec. 6, the city will host the Christmas Family Fest from 1-4 p.m. at the Martin Luther King Park on Herlihy Street.

On Saturday, Dec. 12, Waveland will host its own Christmas parade, starting at 4 p.m. It will travel from Lafitte Street

to bEach Boulevard and up Coleman Avenue. There will be an award for the best decorated golf cart.

To be part of the parade, contact Kristen Tusa at krestentusa@gmail.com or 228-209-7399; or Tammy Fayard at tfayard@waveland-ms.gov, or 228-467-4134.

debris removal, your car might be damaged.

Residents are also asked to use the following guidelines:

- Separate vegetative debris such as tree trunks, branches, leaves from other construction and demolition debris like tile, carpet, drywall, play equipment.
- Do not place debris in bags.
- Pile smaller pieces of debris

on top of larger pieces.

- Debris should be in pieces no larger than 12 feet in length.
- Place piles at least five feet from mailboxes, utility meters, sign posts and hydrants.
- Place piles no further than five feet from the road.
- Do not place debris piles directly under power lines.
- Try to consolidate piles with neighbors.

Holliday will be required to make two full cases through every street in the city within 30 calendar days, rather permitting. There

will be one final pass after that.

The Hancock County Emergency Operations Center is still asking everyone to report any damage.

If you do not have internet access, please call Hancock County EMA 228-255-0942 to report damage from Hurricane Zeta and an Emergency Management representative will assist you.

If you do have internet access please use the link below to self-report any damage.

Area student-athletes sign to play at next level

BY JOSEPH W. GEX, II
STAFF WRITER

There was a total of 10 area student-athletes that signed National Letters of Intent to play college athletics at the next level during the early signing period in November.

Bay High had five student-athletes sign, while Hancock had three and Saint Stanislaus had two sign.

BAY HIGH TIGERS

The Tigers had five student-athletes sign their name to a National Letter of Intent to play next year including Trevor Bordelon (soccer), Cooper Cooksey (baseball), Hosea Singleton (football), Seth Russo (football), and Lizzie Weems (softball).

Bordelon plays for the Tigers' boys soccer team as goalie and signed to play with Mississippi Gulf Coast Community College. Bay High head coach Kelly Ross commented, "Trevor has been our starting keeper for three years. He has kept us in many games over the years and has become an excellent team leader. MGCCC is getting an excellent student athlete."

Cooksey plays for the Tigers' baseball team and signed to play for Pearl River Community College. He had offers from just about every junior college program in Mississippi except MGCCC.

During his sophomore year, he hit .280 with four doubles and had a 1.88 ERA in 37 innings with 33 strikeouts. In his COVID-19 shortened junior season, he had 34 strikeouts in 24 innings pitched with a 1.93 ERA and hit .363.

Bay High head coach Kevin Burdine stated, "We are extremely proud of Cooper getting this opportunity. It is a testament to his hard work and dedication. He has put in the extra effort both in season and out to get this opportunity. Cooper is a strong individual and has hit the weights hard to improve his power. What Cooper has accomplished is also big for our program and we hope to have attention on this program over the next couple of years and have some more signees coming from it."

Singleton is a dual-sport athlete that plays football and basketball while Russo plays football. Both players have

signed with PRCC. Singleton is a wide receiver and defensive back and Russo is a offensive and defensive lineman. Bay High head coach Jeremy Turcotte commented, "We are all extremely proud of Hosea and Seth. Their acceptance of these scholarships not only speaks to their athletic ability but also to their character and leadership ability. They will be sorely missed by our program but we look forward to watching these young men continue to grow and excel."

Weems plays for the Lady Tigers softball team and signed to play for MGCCC.

Bay High softball head coach Wali Shabazz stated, "We are all looking forward to this year after last year being cut short. We felt like we were just getting on a roll. Lizzie has put in so much work in preparation for her last year. We could not ask for a better leader and competitor."

Last year as Weems' junior ended with COVID-19, she had a 7-3 record on the mound along with an ERA of 1.15 with 72 strikeouts. In her sophomore year, she turned in a ERA of 3.20 with 170 strikeouts. At the plate, she hit .423 with 17 RBIs.

Garriga.

Lynsie Gayden, head volleyball coach at Hancock, commented, "Kacey Lear is a tremendous athlete. We missed her this year after she got hurt prior to the season but William Carey followed through with her scholarship offer. She is incredibly deserving of the opportunity and will continue to play libero at WCU. Jacey Garriga worked hard to make the most of her senior year. She projects to continue being a setter in college. Regan Huff is determined to be the very best of whatever court she steps on. She will succeed at being an outside hitter at William Carey. These three signees show just how good a program that we have here at Hancock. We will miss these players next year but we have some younger players ready to step up. William Carey is getting three solid volleyball players, as well as, three outstanding students."

they both possess the tools that will help them be successful at the next level. Austin has all of the physical attributes that a coach wants in a player, as well as, the work ethic and knowledge of the game to match. Jack is possibly one of the most skilled players on the ball that I

have coached. He is also excellent at reading the field and making good decisions. I am looking forward to seeing what they accomplish at the collegiate level."

Stay tuned for more signings throughout the year from our area schools.

Seasons change

Change isn't always a bad thing. Sometimes you need to mix things up, try new things, and go on a new adventure. Enter Dr David Jones, and his buddies from Mississippi State University. These guys are an absolute hoot to be around. We have been fishing with them for many years now, but ONLY in the Spring time. David, Henry, Paul, Scott, Troy, Lee, Trey, Hub, and "Road Block" have really have some insanely good spring trips. Heck they destroyed the trout, triple tails earlier this year.

With everything going on in the world, travel and large groups have limited their time together. Typically the Fall allows these characters to meet up at an MSU game in Starkville. That wasn't gonna happen this year.

The boys took a chance at a Fall trip with

Shore Thing Fishing Report

By Cpt. Sonny

Schindler me and Capt Matt, and yowzah was it good. It was a completely different kind of fun. Our Spring trips are almost always drifting grass beds, and oyster beds for big speckled trout. Sometimes we go cruising for triple tail, or look for sharks.

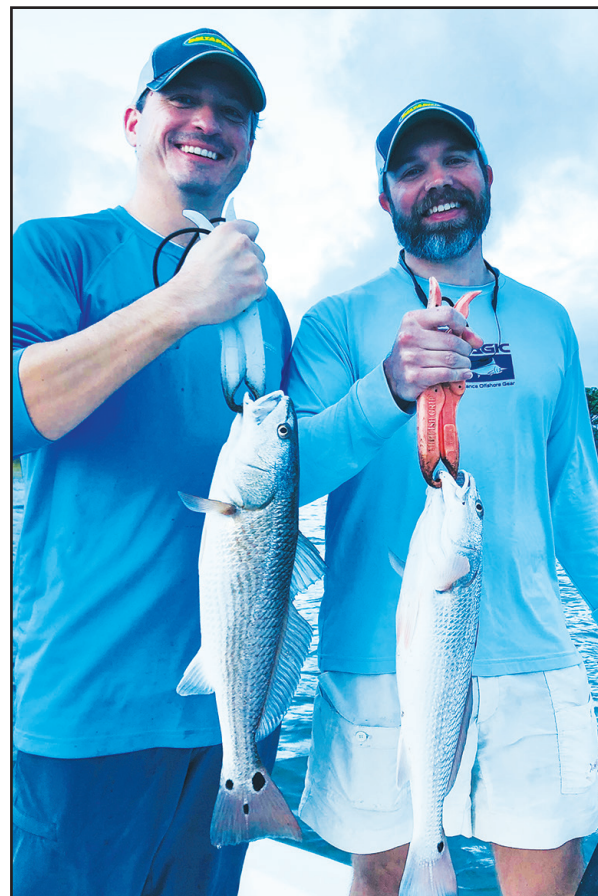

This go round, we completely changed everything. The cool fall temps had us deep in the marshes looking for reds and flounder. It was

crazy good fishing. The corks were going under nearly every cast, with perfect sized redfish and the occasional flounder. We did have a few speckled trout and white trout too.

It's hard to have a bad time with these guys. They always fascinating stories about their work and families. The real pleasure, was showing

them a good time during a different time of year. There is just something about experiencing places during a different time of year. Mixing things up, and trying new things is what life is all about. Seasons change, and sometimes we should too.

As always, have fun and be safe.

**Aloha Tournament
Overall Winner - Carol
Wyrosdick.**

BY SHIRLEY HALTERMAN

Five Months and counting of taking precautions in our gatherings against this virus pandemic. Not one of us thought we would still be dealing with the effects of this virus at this point in time. The Nines keep trying to get in as much golf as possible although the current heat has made that a bit difficult. And, it hasn't helped that we are in the midst of Hurricane Season. But we are not easily dissuaded and continue to play as often as possible.

Tuesday, August 4th, found us playing our monthly Trophy Day. The Low Gross Winners were as follows: Flight #1 - 1st Place, Therese Mauterer; Flight #2 - 1st Place, Sylvia Corbin; Flight #3 - 1st Place, Jerry Ingraham, and Black Flight - 1st Place, Jerri Harris. The Low Net Winners proved to be: Flight #1 - 1st Place, Kathy Pierson; Flight #2 - 1st Place, Kathy Jones; Flight #3 - 1st Place, Carole Griffin, and in the Black Flight we had a tie for 1st Place with both Mary Murray and Carol Wyrosdick posting the same score. In addition, awards were given for Lowest Putts during this round. In Flight #1 - 1st Place went to Fran Smith who posted only 15 putts; Flight #2 - had a tie between Sylvia Corban and Kathy Jones both posting 15 putts for the round; Flight #3 - Jerry Ingraham took the award also posting only 15 putts; while in the Black Flight - we also had a tie with both Jerri Harris and Carol Wyrosdick posting 18 putts. Longest Drive honors

Keeping our distancing while catching up on everyone's activities.

went to: Flight #1 - Pat Vandervort; Flight #2 - Sylvia Corbin;

Flight #3 - Pattie Blackwood; and Black Flight - Jerri Harris. Closest-to-the-Pin honors were claimed by: Flight #1 - Pat Vandervort; Flight #2 - Sylvia Corbin; Flight #3 - Carole Griffin; and Black Flight - Mary Craig Murray. Ladonna Brown and Jerry Ingraham scored Chip-Ins for the day and Jerry Ingraham also had a Birdie that day. Seems like several of these gals really brought along their "A" game. Congrats to all.

On Tuesday, August 11th, 23 gals signed up to play from our Black Tees. For those unfamiliar with this term. Our Black Tees are PGA approved shorter tees which should allow players to reach the green in standard strokes. It may seem that this makes the game easier; however, you have your handicap adjusted for playing from this point and it makes the course play very differently for those usually playing from the Red Tees. And the Winners were: Flight #1 - 1st Place, Judy Tauzin; Flight #2 - 1st Place, Pat Vandervort; Flight #3 - Jerry Ingraham and Black Flight - 1st Place, Mary Craig Murray. We also awarded prizes for Low Putts. Those winners were: Flight #1 - Diana Moore; Flight #2 - Pat Vandervort; Flight #3 found Sylvia Corban and Margaret Sherwood tying for this honor;

and finally, Black Flight - Mary Craig Murray. Three gals scored Chip-Ins: Pattie Blackwood, Jerri Harris and Pat Vandervort.

Our Annual Aloha Tournament having been delayed by the Covid Virus was scheduled to be played on Tuesday, 8/18, and the following Tuesday, 8/25. This tournament is a "low net" game with awards going to 1st place in all four flights plus Longest Drive and Closest to the Pin. Due to approaching storms Marco and Laura our second day of this tournament had to be canceled. Therefore, awards were given for the best scores recorded for one day of play. The Low Net winners for this event were: Flight #1 - Judy Tauzin; Flight #2 - LaDonna Brown (in a scorecard playoff with Shirley Halterman); Flight #3 - Sylvia Corban; and in the Black Flight - Carol Wyrosdick. Longest Drive honors were taken by: Flight #1 - Diana Moore; Flight #2 - LaDonna Brown; Flight #3 - Jerry Ingraham and Black Flight - Jerri Harris. Closest-to-Pin awards were garnered by Flight #1 - Judy Tauzin (2 strokes); Flight #2 - LaDonna Brown (2 strokes); and in Flight #3 - Sylvia Corbin. No one in the Black Flight got close to the pin. The overall winner of this competition reflecting a Net Score of 33 was Carol Wyrosdick. Congrats to Carol!

Watch our future articles for results of our SCOTCH DOUBLES and PAL DAY events. More of us should be able to get in rounds of our favorite game as the weather cools a bit. Remember to stay safe and safely distance. One good thing about Golf is we can do both and still play the game.

Amy Keith of D'head named College of Arts & Sciences Student Ambassador

SEA COAST ECHO

The University of Kentucky College of Arts & Sciences has named Amy Keith of Diamondhead, MS, as an Arts & Sciences Student Ambassador for the 2020-2021 academic year. Ambassadors represent the College at campus events and are chosen based on their academic achievements, involvement with campus organizations and activities, and dedication to the University.

Amy is majoring in Health, Society, and Populations and minoring in Biology. She graduated from Hancock High School.

The College of Arts & Sciences initiated its first Student Ambassador Program in the fall of 1999. Since then, A&S ambassadors have promoted a

pride in liberal arts education while also strengthening the identity of the College and the University. Through this program, ambassadors develop leadership and communication skills while working with visitors, alumni and students.

Home to 19 academic departments that offer major degrees in 27 disciplines and 36 minors, the College of Arts and Sciences provides education in fundamentals to every undergraduate student at the University of Kentucky and builds foundations for advanced study in every field. Its faculty integrates innovative research with exceptional teaching and outreach, thereby providing paths to understanding the past, solving the problems of today, and imagining the possibilities of tomorrow.

SEA COAST ECHO

Our Lady Academy's (OLA) 8th Grade Science Team of Camille Boudreaux, Emma Grace Cain, Margaret Compretta, and Riley Curthrids and won first place in the Middle School Division at the 2020 University of Southern Mississippi (USM) Stewardship Summit. Of the 65 videos that were submitted from various schools across the Mississippi Gulf Coast, 14 teams were chosen to attend the summit. Each team offered solutions to is-

sues affecting the Gulf Coast during a storm.

The OLA team presented a video of various solutions to prevent further erosion to our coastal areas. Included in their presentation, were the pros and cons of alternative solutions, as well as their proposed recommendation to plant Sea Oats in our coastal areas. Based on their findings, the planting of Sea Oats would help stabilize the shorelines from the punishing blow of storm surges, resulting in the reduction of erosion at a minimal cost.

In January of this year, OLA Science teacher, Randi Tolar implemented this piloted program, which focused on promoting community resilience to coastal hazards and in particular the flooding effects of tropical systems. The program is supported by the Naval Oceanic and Atmospheric Administration (NOAA), Bay Watershed Education and Training (B-WET), Meaningful Watershed Educational Experience (MWEE) and University of Southern Mississippi (USM).

THE POWER OF LOVE VERSUS LOVE OF POWER

By GARY ANDREWS

Driving through town the other day I came up behind a car with a bumper sticker that read, “Until the power of love overcomes the love of power, then there will be no peace on earth.” How true this is! So many of us have become obsessed with how much power we have that we forget the strongest power in this lifetime is love. Remember what the apostle Paul said in 1 Corinthians 13:4-7, “Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perse-

veres.” How many of us today have this kind of love? Do you have this kind of love? The Bible is so clear on what we need to know about world peace, yet no one seems to understand that love is what it is all about. I hear so many celebrities, so many politicians, and many others say that world peace is what we need, yet when we look into their daily lives, we don’t see the comforting or forgiving love that is needed. We do not have to look very far until we see that love of power is the most important position that many people take. They want to control and talk about what it takes to have peace among the citizenry and throughout the world yet they themselves have not com-

mitted to the power of love. This bumper sticker stood out to me and it would be great if everyone would put one on their vehicle. One other billboard that I have seen really stands out and it reads, “No Jesus, No Peace.” and under this phrase is the same words spelled differently, “Know Jesus, Know Peace.” God loves all of us and wants us to be His warriors in sharing His love to everyone. Prayer: Lord, again I praise you for life and the time I have on this earth. Lead me and guide me and help me in sharing true love to everyone that I meet, and that is the love of Jesus. Amen.

REQUEST FOR QUALIFICATIONS FOR ENGINEERING SERVICES
The City of Bay St. Louis, Mississippi is requesting sealed statements of qualifications ("Statements") from qualified individuals or firms to provide engineering services relating to the repair of the City of Bay St. Louis Municipal Harbor due to Hurricane Zeta damage.

Said proposals will be received in the City Clerk's office, City of Bay St. Louis, 688 Highway 90, Bay St. Louis, MS 39520, until 10:00 A.M., Monday, December 28, 2020, after which time they will be opened by the Selection Committee. The City is not responsible for receipt of statements or delays in transmission of proposals. Statements received after the indicated time for submission shall be considered non-responsive and shall not be opened. Please submit five (5) hard copies of the statement.

The statement of qualifications should be submitted in a sealed envelope clearly identified as follows:

NAME OF FIRM OR INDIVIDUAL
BSL MUNICIPAL HARBOR REPAIR DUE TO HURRICANE ZETA DAMAGE
STATEMENT OF QUALIFICATIONS FOR ENGINEERING SERVICES

The selected individual or firm shall be responsible for complete engineering services in accordance with applicable state and federal laws, regulations and procedures. The individual or firm's responsibilities will include preparing project cost estimates and required engineering services through project closeout in accordance with federal, state and local laws, regulations and policies. The scope of work will include, but not limited to, the following: preparation of documents and specifications for any and all repairs needed to the Bay St. Louis Municipal Harbor from damage caused by Hurricane Zeta; evaluation of damage to the Bay St. Louis Municipal caused by Hurricane Zeta; Harbor distribution of bid documents; assistance in bid opening and preparation of bid tabulation; preparation of construction contracts; performance of construction administration, including inspections, review and approval of contractor payment applications, and periodic

reporting to the City. Activities will include insuring compliance with all aspects of project design and implementation.

A Selection Committee will review each statement and select a qualified individual or firm. Each member of the committee will assign points to each criteria based on the content of the statement. Negotiations will be conducted initially with the firm receiving the highest number of points based on the factors below, as rated by the Selection Committee. If a mutually satisfactory contract cannot be negotiated with the firm, the firm will be requested to submit a best and final offer, in writing, and if a contract cannot be reached after the best and final offer, negotiation with that firm will be terminated. Negotiations then will be initiated with the subsequently listed firm in the order of rating, and this procedure will be continued until a mutually satisfactory contract has been negotiated. In addition to reaching a fair and reasonable price for required work, the objective of negotiations will be to reach an agreement on the provisions of the proposed contract including scope and extent of work and other essential requirements.

Proposals will be evaluated according to the following factors: 0-25 points, Evidence of individual or firm's ability to perform the work, as indicated by profiles of the principals and staff's professional and technical competence and experience (New construction is the focus of this competence and experience section.); 0-25 points, Capability to provide professional services in a timely manner taking into consideration the physical location of firm and availability of staff; 0-25 points, Demonstrate knowledge of local building codes and zoning ordinances—include specific examples of new public constructions; 0-15 points, Past performance in terms of cost control, quality of work and compliance with performance schedules—include specific examples of value engineering and cost control measures for similar projects; 0-10 points, General response to the RFO.

Statements may be held by the City for a period not to exceed sixty (60) days from the date of opening of proposals for the purpose of reviewing the statements and investigating the qualifications of the engineer prior to awarding the contract. The City is an equal opportunity employer. DBE/MBE and/or WBE individuals/firms are encouraged to submit statements.

The City reserves the right to reject any and all statements and to waive any informality in statements received.
